A hand-drawn floor plan of a room. At the top is a fireplace labeled "FIREPLACE". To its left is a green triangle representing a plant. The room contains several numbered items: 1 and 2 are vertical rectangles (7' high); 3 is a vertical rectangle (6' high); 4 and 5 are horizontal rectangles (6' wide, 3' high); 6 is a horizontal rectangle (8' wide, 3' high); 7 is a horizontal rectangle (8' wide, 3' high); 8 is a horizontal rectangle (8' wide, 3' high); 9 is a horizontal rectangle (8' wide, 3' high); 10 is a vertical rectangle (8' high); 11 and 12 are horizontal rectangles (6' wide); 13 and 14 are vertical rectangles (6' high); 15 is a horizontal rectangle (6' wide); 16 is a square (6' by 6') with diagonal lines; 17 is a square (6' by 6') with an 'X' inside. A legend indicates that diagonal lines represent a "BRINGING THEIR OWN TABLE" and an 'X' represents a "MEMBER LOAN". A note at the bottom right says "MITA BREEZEWAY 3/16=1'".
